DANCE
2024-2025

At Solely, dress codes are more than just clothes. We dress for success!

These articles of clothing help boost confidence, create a sense of unity, and ensure safety. Our dress code helps dancers feel prepared and boosts their sense of teamwork inside the classroom. Furthermore, a neat and tidy appearance sets an attitude of attentiveness and respect for fellow dancers, teachers and the art of dance. It allows for instructors to see the body's alignment clearly in order to better a dancer's technique - promoting self-expression through movement, emotion and performance.

In addition to our outlined dress code, the following bullet points should also be noted and strictly followed:

- Absolutely no streetwear, t-shirts, hoodies/sweatshirts, sandals, slip-on shoes
- Hair must be properly secured and tied up off of the face and neck for all styles of dance (no hair clips/claws)
- Jewelry must not be loose or dangling
- No costumes are allowed in class unless a dress up day is announced by the individual teacher.
- Gum chewing is not allowed due to danger of choking and appearance
- All dancers must use a coverup and/or jacket when arriving and leaving the studio
- All Dancewear/attire & shoes are required for the first day of class
- This dress code will be strictly enforced; dancer's that are found to not be following code, will potentially lose their opportunity to participate in class
